New customer and volume discounts are available. This is only a partial list of the door controls we can repair. If your control is not listed, please call for a quote!

All pricing shown is with core returns. All repairs and turnaround times are subject to parts availability. We make every effort to stock the most commonly used replacement parts. Controls as received by Electronic Solutions, Inc. should be complete and in reasonable condition. Please pack your shipment carefully. Flat rate charges shown above include replacement of any missing small parts; however, additional charges may apply for controls with significant physical damage and/or missing parts. Warranty is 6 months on parts and labor for all repairs. All shipping is the responsibility of the customer.
